Help about using this program

Follow the following steps to get you started...

Step 1:

When you start the program the first thing you need to do is select a list of phrases you want to learn. Click on the arrow of the Subject drop down list box and select a Subject:

Step 2:

Now click on the first icon named **Phrases List**.

Phrases List allows you to see & hear the phrases you are just about to learn.

Once you are done getting familiar with those phrases click on the button named "Main Menu"

Step 3:

Click on the next activity named **Flash Cards**.

This is a traditional Flash Card activity. Click here to start memorizing your first Spanish phrases.

Step 4:

Click on the next activity named **Learn 'em**.

Learn 'em is an activity most of us used when in college. You have a list of phrases where you must memorized one by one if a mistake is made then you need to start and repeat the phrases all over again. Try it!

Step 5:

Click on the next activity named **Match 'em**.

Okay it's time for a game...a matching game the point of this matching activity is to try to match one phrase in Spanish and another one in English in the least time possible. Good luck!

Step 6:

Click on the next activity named **Scrambled**.

Now it is time to start learning how to spell these phrases. The point of this activity is to drag with your mouse the letters to the right spot in the least time possible.

Step 7:

Click on the next activity named **Which one?**.

This activity will test your knowledge and listening skills. Listen carefully and then click on the correct translation you will be graded on the percentage scale basis.

Step 8:

Click on the next activity named **Write 'em**.

The point of this activity is to learn how to spell the phrases in Spanish. Watch carefully how the program begins writing the phrase in Spanish. If you think you know the rest of the phrase click on the button and type the complete phrase. The sooner you click the more points you get since you get points according to the characters that were not written by the program.

Step 9:

Click on the next activity named **HangMan** on the Main Menu.

Here is the popular game HangMan. The point of this activity is to learn the spelling of the phrases. The point of the game is to guess the complete phrase in Spanish. You have 7 chances to save ANICETO from being hung.

Step 10:

Click on the next activity named **Quiz Me** on the Main Menu.

Quiz time! Type the right translations on the lines provided to find out how much you've learn.

After finishing with all these activities choose another Subject and repeat steps 2 to 10

Program description

BuenSoft Spanish Interactive

Version 1.0

Written by Jesse Lizama

BuenSoft Spanish is an innovative listening-based interactive program designed to give adult and adolescent learners a fast and easy way to learn or improve their Spanish. BuenSoft Spanish is not based on the same format as many others Spanish Software programs with fixed content, instead BuenSoft Spanish was created as a conversational utility where users can add to the program only the phrases they want to learn. Many Subjects (of phrases) are now available by mail or download from the Internet. There are several Subjects to choose from, personal introductions, numbers, months of the year, jobs, family relationships, daily expressions and much more. Every BuenSoft Subjects are supported by high-quality audio and recorded with native speaker voices.
