

THE LORD OF THE RINGS THE THIRD AGE™

PLAYSTATION®2

POSITIONING

Role-playing games come to Middle-earth™

DESCRIPTION

Return to Middle-earth in 2004 with the first-ever *The Lord of the Rings™* console RPG. In *The Lord of the Rings™, The Third Age™*, discover a deeply immersive Middle-earth as you fulfill new quests and unearth new mysteries. Explore Middle-earth as you build your character from a lowly adventurer into a living legend. Battle Orcs, Mumakil, and the mighty Balrog, picking up devastating weapons and powerful new abilities along the way. Build a party of like-minded fighters to aid you in your quest and fight alongside your favorite heroes and villains from the films. Will you protect Middle-earth from Sauron, or use his powers of evil to burn it to the ground? In *The Lord of the Rings, The Third Age*, the choice is yours.

KEY FEATURES

- **Choose Between Light and Shadow**—Battle on the side of the Fellowship in its quest to save Middle-earth, or unlock evil missions that allow you to fight on the side of Sauron.
- **Build Your Character**—Customize and upgrade your hero with an in-depth skill tree system, acquiring unique abilities in melee combat, ranged weaponry, defense, magic, and leadership.
- **Free-Roaming Gameplay**—Explore Middle-earth, taking on side quests and discovering special weapons and items to boost your characters.
- **Wide-Open Action**—Experience an innovative turn-based battle system that allows you to fight on horseback or Warg and define the rules of engagement.
- **Middle-earth Authenticity**—Featuring voiceover from the original actors and assets from all three *The Lord of the Rings* films.
