Concentration

Further information

Main manual

Concentration

Object:

Reveal the hidden picture by selecting matching tiles.

How to Play:

After clicking the start button, the tiles will reveal pairs of pictures for 20-40 seconds (depending on the difficulty level).

After the time expires, click a tile, then try to click on the tile that matches it. If the two tiles match, the portion of the picture behind them is revealed.

Score is based on time and the number of incorrect guesses.
