

Mercalli Easy License Information for PC Format

Dear PC Format reader,

Congratulations on receiving a free copy of proDAD's Mercalli Easy video stabilizer software for Windows PCs. Mercalli Easy is a powerful yet easy to use solution for stabilizing video captures on mobile phones, handheld cameras, and traditional camcorders.

To install Mercalli Easy, simply run the Mercalli Easy installer and follow the on-screen instructions. Note: Please allow the codecs to be installed as Mercalli Easy needs them to be able to import your video files and export the stabilized video. Mercalli Easy is compatible with Windows 8, Windows 7, and Windows Vista only.

License Key: PF94-8W4M-H718-ZNFT-DFGY-CIM4-U2P0
