

ave you ever wanted to find that special purpose utility for your Macintosh needs? Or maybe that artwork that you need in a hurry? Now you have "PD Pig Out!™".

PD Pig Out!™, is a HyperCard 2.1 stack that allows you to search for key words of programs or files you may be looking for and locate Public Domain and/or shareware programs that may fit your needs.

With PD Pig Out!™ you can push the find button then type in that topic, subject, function, or action you are looking for. PD Pig Out!™ will take you to each occurrence of the word or partial word you may have typed in. You may then read the name of the file, size, version, date available, and path of the file on the AMUG CD, "BBS IN A BOX".

PD Pig Out!™ comes with HyperCard 2.1 to allow you to read all of the stack information without looking for HyperCard. The Stack is compressed on disk and once decompressed using Disk Doubler 3.7 it will be very large. your hard drive will require approximately 4 megs of space.

PD Pig Out!™ is a great way to find those frequently needed Macintosh tools. Just push the find button and type in the phrase you are looking for. HyperFind has been licensed for use with PD Pig Out!™ and it will take you quickly to your request. Just hit the carriage return or enter key to keep searching.

Now The Business...

PD Pig Out!™ is \$19.95 directly from MacWizards at 718 E. Campbell Ave., Gilbert, AZ 85234. Updates to this program are available every three months for \$3.00. If you want the AMUG CD, "BBS IN A BOX" and are a registered PD Pig Out!™ owner you can purchase "BBS IN A BOX" for \$50.00 which is a substantial reduction from the \$119.00 retail value.
