

Initial Setup

Play begins as follows:

- 1) Select New Game from the File menu.
- 2) All players enter their names when requested.
- 3) Select the number of players desired (2-6) and click OK.
- 4) The Department of Energy issues an initial land grant for each of the players. These initial land grants are automatically placed on the board as seeds for new companies.
- 5) Each player is issued an initial cash holding of \$6000.
- 6) Each player is issued six land grants by the Department of Energy for the formation of energy producing companies.
- 7) Play commences with the player who was issued the land grant closest to A-1 in step 4 above.
