

NOTICE TO BULLETIN BOARD USERS

It has been reported to Apple Computer, Inc. that a copy of portions of its copyrighted source code to Color Quickdraw, which were stolen, has been posted to some electronic bulletins boards. This is to notify all users of this Bulletin Board that Apple's source code is copyrighted, contains valuable trade secrets and is protected from unauthorized use or disclosure by law. Any copies placed on electronic bulletin boards were obtained illegally, without Apple's consent or authorization. Any copying or use of Apple's source code constitutes willful copyright infringement and knowing possession of stolen property, and a may result in both civil and criminal penalties.

Apple has directed its legal department to pursue remedies against anyone who makes unauthorized use of Apple's source code. If you have any information regarding unauthorized use of Apple source code, please contact Ken Moore at Apple Computer, Inc.
