### TRAIN LIKE HIM – PLAY LIKE HIM – BE HIM

David Beckham Soccer is an exciting fast paced soccer game which utilises the very latest in hand-held and console technology, and is the only football game available to contain unique features and content on David Beckham – one of the world’s biggest football stars!

Featuring over 200 teams and a vast array of competitions and game modes including the unique “Train with Beckham” training mode. This option allows the player to hone his skills before taking on real opponents with a series of tests set for you by David himself, including Corner Taking, Shooting and Passing – You can even learn how to take David’s speciality free kicks!
