

GTC AFRICA

OVERVIEW

Release date:	Q4 2001
Genre:	Racing
Publisher:	Rage
Developer:	Rage
Formats:	PlayStation®2

GTC takes the fun of Rally-style driving and combines it with the excitement of competitive circuit racing. Journeying through the most exotic locations of the African continent, the game features 19 different circuits in locales ranging from safari treks, lagoons, countryside and jungle. It has a wide selection of officially licensed and internationally recognised vehicles, as well as some of the most stunning visuals, environments and terrain ever created in a console driving game.

KEY FEATURES

- 19 individual circuits set across Africa.
- Wide choice of breathtaking locales including open countryside, jungle and desert.
- Fully licensed vehicles from internationally recognised motor manufacturers including Ford, Mitsubishi, Subaru and Pontiac.
- Ultra realistic car handling.
- Variety of single and multi-player game modes.
- Unique Challenge mode containing 11 more tracks
- Realistic 3D surround sound.
