

### PLAYSTATION®2 “GREATEST HITS” TITLES

Introduced on April 1, 2002 through retail outlets nationwide, the “Greatest Hits” series on the PlayStation®2 computer entertainment system follows the lead of its market driving “Greatest Hits” collection on the original PlayStation®.

PlayStation 2 “Greatest Hits” series features a distinctive roster of titles that have proven to be all-time favorites among consumers and are generally as low as \$19.99.\* To be eligible for the PlayStation 2 “Greatest Hits” series, a title must meet two key criteria: sales must be in excess of 400,000 units and the title must have been on the market for more than nine months.

*\*Please note the following for third party title inclusion:*

- 1) Titles must meet certain criteria prior to selection for the “Greatest Hits” program. Third party publishers are not obligated to participate in the “Greatest Hits” program once a title qualifies.
- 2) “Greatest Hits” retail pricing may vary for third party titles, as Sony Computer Entertainment America does not set software pricing.
