

BATTLEFIELD: MODERN COMBAT™

It's go time, soldier. Prepare yourself for 21st century warfare in *Battlefield: Modern Combat*. The award-winning *Battlefield* franchise is coming to the PlayStation®2 computer entertainment system, and the action is going to be fierce. Engage the enemy at the world's most dangerous hot spots with a team of grunts at your side to help you survive the frenzied close-quarters combat. Use all the high-powered tools at your disposal—assault rifles, shotguns, machineguns, and machines of modern war including tanks, fighter jets, helicopters, and more. This is no minor skirmish—this is all-out war.

Ship Date: Fall 2004
