#### **Brief Game Description:**

Encore! Encore! *Karaoke Revolution™ Volume 2* follows upon the success of *Karaoke Revolution™*, the first interactive karaoke video game for the PlayStation 2 that was rated by *Time Magazine* as the #1 video game of 2003. Converting the PlayStation 2 into the ultimate karaoke party machine, *Karaoke Revolution™ Volume 2* builds upon the groundbreaking and innovative experience with an all-new line-up of 35 hit licensed songs, such as “Friends in Low Places” and “I Will Survive.” In addition to new characters and venues, an all-new Medley Mode has been added -- making for dynamic multiplayer action.

#### **Features:**

- The top rated karaoke game on the market from the music game leader
- The first and only karaoke video game series that actually scores players on pitch and rhythm of their vocals
- Featuring 35 new hit dance, pop, R&B and rock songs
- Developed by cutting-edge music videogame creator Harmonix Music Systems
- 7 new characters, 3 new venues and more than 30 new outfits, including dozens of special unlockable outfits and bonus items!
- In addition to the original Arcade and Karaoke modes, a new Showtime mode campaign is included
- Medley Mode offers a brand new experience as players can link up to 5 song clips together in rapid fire succession for the ultimate karaoke performance
