

An astounding tactical RPG from the developers of *Disgaea*

## YOU CAN ONLY BE SO DARLING WHEN YOU'RE HUNTING DEMONS.

She's loud. She's self-centered. And she just passed her exorcism exams. As Prier, an undisciplined 16-year-old demon hunter, you'll journey through a treacherous medieval Europe in this occult tale of deception and betrayal. When your smart mouth gets you into trouble, smarter tactics and a fierce band of allies get you out.

### PRODUCT SUMMARY

Winner of a coveted Gold Award from Famitsu, Japan's leading game magazine, the stunning animé world of *La Pucelle: Tactics* finally arrives in America. Developed by Nippon Ichi Software, creators of the international hit *Disgaea*, this RPG features a deep tactical battle system balanced with a heartrending story, distinct, fully developed characters and beautiful hand-drawn backgrounds.

### PRODUCT FEATURES

- **Hard-core battle system**—Attack simultaneously or in waves of up to 8 units. Use obstacles on the battlefield and elevated terrain to your strategic advantage. Get closer to the fray when head-to-head battles play out in a more detailed fighting view. Win over highly intelligent enemies so they will join your unit.
- **Dark portals and purification**—Purify defiled ground or dramatically wipe out all enemies on the battlefield with a single massive Miracle Attack.
- **149 different items**—Use your weapons in special combinations for magical abilities. Strengthen objects in real time.
- **Instant level-ups**—Gain valuable items and skills—even new allies—after each unit's turn for fast gratification and furious fun.
- **Over 120 hours of gameplay**—Traverse 12 enormously deep and distinctly different chapters—uncover unique abilities, optional side quests and multiple endings.
