<b>Franchise</b>	Leisure Suit Larry is the original PC comedy game, and is specifically known for its racy humor and sexual innuendo. Begun in 1987, there are more than 10 games in the brand, including six original adventures, casino games, even a work organizer. Larry is a revered game brand, and often listed among the top 10 most recognizable game characters. The Larry brand grossed over \$35M from 1992 to 1997.
<b>Overview/ Storyline</b>	Larry Laffer's nephew, Larry Lovage, is a typical college student – he lives in a dorm, has a crush on his biology professor, and goes to bars with his buddies. But when a TV dating show comes to campus, Larry gets a chance for national "exposure." If he can show that he can make any girl on campus swoon, he will become a campus legend. Follow Larry's hilarious exploits and misadventures in the wackiest college story since "Animal House."
