Below is an explanation of how the physical symbol* was created via the relationship between the 3 principles and the 8 virtues.

The 3 principles (Truth, Love and Courage) represented by 3 circles that do not overlap one another.

The line that touches Truth becomes Honesty.

The line that touches Love becomes Compassion

The line that touches Courage becomes Valor

The line that touches Truth & Love becomes Justice

The line that touches both Love & Courage becomes Sacrifice

The line that touches both Truth & Courage becomes Honor

The inner circle that touches Truth, Love & Courage is Spirituality

The outer circle that touches none of them becomes Humility.
