1.2 HOW CAN YOU PARTICIPATE?

Those taking part in the guide will receive freely the latest full version via E-mail even if the version takes a long time to send. There is only one way to take part to the guide:

SEND ME SOME LYRICS! 8)

1.3 INTRODUCTION

This guide or I should say this beginning of a database was created for only one goal - to make things easier. No need to photocopy friends' lyrics, no need to search for some lyrics cos you already have them in the Lyrics guide.

As you may have seen the guide does not put together all the songs that exist. The selection is made of 2 criterions:

- 1) A subjective (it's a song I like)
- 2) An Objective (it's a song which became a single or a video)

This guide is freeware so you can spread it and copy it as long as it is not modified nor seperated from all its files.

1.4 INTRODUCTION

Ce guide ou plutôt ce début de base de donnée a été fait dans un seul but, celui de faciliter la vie; plus besoin de photocopier les paroles des copains, inutile de rechercher où est ce que l'on a rangé cet album...Etant un fan de Hard Rock, j'ai naturellement commencé par les

albums que je préfère (Guns, Aerosmith...), voilà pourquoi cette première version de la Lyrics.guide regroupe essentiellement des groupes de Hard. Je suis néanmoins très éclectique et je vais bientôt m'attaquer à l'énorme genre musical qui regroupe le Rock, la Pop, le Rap et la Dance.

Comme vous avez remarqué la base de données ne regroupe pas en générale toutes les chansons d'un album; la sélection des chansons se fait sur 2 critères:

- 1) subjectif (c'est une chanson que j'aime bien)
- 2) objectif (c'est une chanson qui est sortie en single ou en clip)

Cette base de données est Freeware, donc librement distribuable et copiable, tant qu'elle n'est pas modifiée ou séparée de ses fichiers.

1.5 COMMENT PARTICIPER ?

Chaque participant recevra gratuitement la mise à jour à laquelle il aura contribué, uniquement par E-Mail (il y a une nouvelle mise à jour tous les premiers de chaque mois).

Pour participer à la création il n'y a que une seule manière:

ENVOYEZ MOI DES PAROLES 8)

Si vous avez d'autres idées pour participer à la création de cette base de données, écrivez moi. Je réponds à toutes les suggestions.
