```

1.8 DISCLAIMER

By using this product, you accept the FULL responsibility for any damage or loss that might occur through its use or the inability to use it. The developer of the software can NOT be held responsible.

1.9 INSTALLAZIONE

Simply copy the contents of the archive's directory "vehicles" into <skid2path/vehicles> directory, created by the Skid2 installer utility. With the archive there will usually come an hi-res picture of the vehicle.

1.10 COPYRIGHT

This software is freely distributable. Any re-distribution has to include all files in this archive without any modifications.

This package may be freely distributed via BBSs, InterNet/UseNet, software libraries such as Fred Fish's and Aminet CD-ROM, and other similar electronic channels.

Disk magazines and services that charge extra for file transfers may NOT distribute it without written permission by the author
!

Any kind of suggestions or ideas for new vehicles will be welcome to me. If you feel, you can send to me any kind of gift or donation, just for supporting and encouraging the development of new vehicles (and other software) on the AMIGA.
