1.2 Read

Short: Archives Files using GUI V1.2b

Author: DCG© stargate@microsys.it

Uploader: DCG© stargate@microsys.it

Version: 1.2b

Type: util/arc

Pack and UnPack using a GUI for selected Packers.

Supported packers LzX, LhA and DmS which must be in C:

You can Pack/UnPack one file or an entire preselected directory.

Most generally used Packers recongised (more to come).

Minor improvements as from V1.2.

Added Version String and Amiga Guide.

Added separate functions for packing files or directorys.

When packing files and using the ALL function,subdirectorys (.info - icons)

will be packed also...So best to choose the files you wish to pack.

NOTE...

All Packers must be in C: (not supplied) **BACK**

1.3 Help

Sorry Unavaiable at present: No Help needed ???

Greetings To :

WuShU

GoNzO

and of course DCG who made it possible...
