

Demo Restrictions

When "PictXPrep™" demo XTension is loaded with QuarkXPress, a dialog box is prominently displayed to the end-user that announces that QuarkXPress is operating as a demo version as long as "PictXPrep™ demo" XTension is loaded, and also details the restrictions of demo QuarkXPress:

- Files saved by demo QuarkXPress cannot be opened by the fully working version of QuarkXPress.
- Printouts are limited to a maximum of 5 pages.
- Documents can be printed only on PostScript printers.
- All output will be overprinted with the words "QuarkXPress Demo."
