Distribution

This demonstration version of the Mark/Space ZMODEM Tool may be distributed for non-commercial purposes.

It may also be freely distributed via wire or electronic communications (BBS's and online information systems) for the sole purpose of use by their customers.

Commercial distribution of the Mark/Space ZMODEM Demo and Mark/Space ZMODEM Tool is restricted and requires a license from Mark/Space Softworks. Site licensing, product bundling, and other arrangements are available, but you must first have a license to do so. Contact Mark/Space for further details.

Disclaimer of Warranty

In using this software, you understand and agree that this software is provided "as is" without warranty of any kind. The entire risk as to the results and performance of using this software lies entirely with you, the user. Mark/Space does not make any warranties, either expressed or implied, including but not limited to implied warranties of merchantability and fitness for a particular purpose, with respect to this software.

In no event shall Mark/Space be liable for any consequential, incidental, or special damages whatsoever (including without limitation damages for loss of critical data, loss of profits, interruption of business, and the like) arising out of the use or inability to use this software. Because some states do not allow the exclusion or limitation of liability for consequential or incidental damages, the above limitations may not apply to you.
