Printing PICT or TEXT items:

If the current scrap item is of type PICT or TEXT, it can be printed.   Just select the "Print Item…" menu item from the "File" menu to print.

Printing a catalog of all items in a scrap file:

If you are displaying a name list, you can print the entire name list (including other information about each scrap item) by selecting the "Print List" item from the "File" menu.

If you are displaying a thumbnail list, you can print the entire thumbnail list by selecting the "Print Thumbnail List" item from the "File" menu.
