◊ How to Register VersaTile™ Pro
VersaTile Pro is not free. Registration instructions are included in VersaTile's Help area which can be accessed using the Balloon Help menu.

◊ Entering the Registration Password
Enter the provided User ID and Password from your registration documents in the appropriate boxes below and press the "Register" button.   If you have incorrectly entered any of the information VersaTile will alert you to try again.

◊ How to contact the author
If you have a question regarding VersaTile,
I can be reached through any of the following means:
