MyBattery 3.2.0
Registration form

By registering these programs, you help support my efforts as a shareware author.   When I receive your registration fee, I'll send you a registration letter with the registration password needed to fully activate the program (MyBattery, Threshold, Insomniac and PowerBook Tweak only).   Also, if you provide me with your electronic mail address, I'll notify you of future releases.

To register, print out and fill in this document, and send it to the address below.   If you are sending a check or money order, it must be in U.S. dollars, and drawn on a U.S. bank (foreign postal money orders are fine).   Also, please make it payable to Jeremy Kezer.

Register any program for $10.   Register any additional programs for only $5 each!   (Any two programs for $15, three for $20, and so on).

Please check which program(s) you are registering:

    [   ]   Registering MyBattery 3.2.0 (for all PowerBooks)
