## Warranty

### **Manufacturer's warranty and Limitation of Liability.**

to avoid any possible damage to you Psion products, they should not be exposed to extremes of temperature or humidity. Do not subject them to hard knocks or excessive force and do not immerse them in liquids or use volatile fluids when cleaning.

If within 12 months of purchase this product can be shown to the reasonable satisfaction of Psion to be faulty and not to function substantially as described in the user manual, Psion will, at their discretion, refund the purchase, repair, or replace the affected product. Apart from this warranty, Psion will not in any event be liable for any loss, including consequential loss, caused by any error, defect or failure of the computer system hardware or software, or howsoever otherwise arising, including but not limited to loss of use, loss of stored data, loss of profit or loss of contracts.

This limitation of liability shall not apply to consumer transactions nor to any liability for death or personal injury arising from the negligence of Psion or its employees.

If you encounter difficulty using this Psion product, consult the manuals supplied with it to verify you are sign it correctly.

If after thoroughly checking the documentation the difficulty still persists, return the affected item with proof of purchase to your dealer who will send it for examination and repair or replacement as appropriate.

Alternatively, you may choose to return the affected item(s) directly to Psion.

Please note that **all** items must be sent by Registered Post and proof of purchase with dates must be enclosed. Packaging should be robust and secure against damage in transit.

**Be aware that any information stored in the product will be lost during out test procedures.**

**Psion accepts no responsibility for loss or damage of equipment in transit to us, nor will Psion be held responsible for any loss of data held in any of the devices returned to us. It is the user's responsibility to ensure that their data has been adequately backed-up prior to shipment to Psion.**
