

**• Turn away from a doorway and then back into it to blast anyone who is tailgating you. For example, if there's a doorway to your right, you can turn left, back up, and fire directly across the hallway you used to be in.**

**• Don't follow a ButtKicker missile too closely, or you may run into it as it is turning.**

**• In the Fox & Hounds scenario, if you are a Hound and happen to see the gem in the View Screen (the gem is not visible on your radar), you may be able to ambush the Fox as it tries to grab the gem.**
