*Note, pizza negates 99.9% of all cholesterol found in Empire Deluxe™.

Narrative again not provided by
Wolf(tm?) Blitzer

Note, that at no time were any of the wolves in danger from gun fire, nuclear attack or any other form of human mass destruction.

Names, characters, wolves, places and incidents are the product of the author's imaginations, and any resemblance to actual persons, living or dead, small furry animals, events, or locales is entirely coincidental.
