

Tex-Edit Plus is Shareware (\$15). Payment may consist of an equivalent amount of non-U.S. currency or stamps. (I love collecting foreign stuff!) My mailing address is:

Please include your e-mail address, if possible, so I can send you a message acknowledging your registration. If you would like a printed receipt, please send a stamped, self-addressed envelope.

If you prefer, you may use Kagi's convenient Register application, which is included as part of the Tex-Edit Plus archive.

Registered owners are entitled to all updates, source code and product support. Registered users of previous versions of Tex-Edit are entitled to ownership of Tex-Edit Plus.

Feel free to give Tex-Edit Plus to anyone. You may use Tex-Edit Plus for as long as you wish (i.e., there is no time limit on the trial period). You are under no moral obligation to send in the Shareware fee and you are under no obligation to erase the program if you don't pay the fee. Simply think of the Shareware fee as a much-appreciated way to encourage future development and to say "thank you!"
