

# About Your Software License

## The Quick Story

You are licensed to use this product on a single system at a time. You may also make one copy of the original distribution diskette for archival purposes.

CDU must be installed from the original file on your hard disk. If the copy of CDU on your Macintosh becomes damaged please contact Connectix Technical Support and we will promptly arrange to replace it.

You are not supposed to install multiple copies of the software on different Macintosh systems. If you do so you may find that some of these copies will become nonfunctional. Usually, unauthorized copies of this software will not work.

If you need multiple copies of CDU, please contact Connectix for information about our quantity pricing (phone: 800/950-5880; international 415/571-5100; fax 415/571-5195).
