Cyber Artists Studios - Custom Work

Version 11.99

Cyber Artists Studios does custom multimedia productions for business, educational, personal and promotional use. Whether it is a floating logo for your office, a school fan screen saver for fund-raising, a promotional info-saver to advertise your business or a special screen saver for private, personal use Cyber Artists Studios can work for you. And if your needs go beyond the use of screen savers and into full-scale multimedia presentations, Cyber Artists Studios can still work for you regardless of where in the world you may reside. Our screensavers have received numerous awards and recommendations. We have created screensavers and/or multimedia productions for customers in 48 states or territories of the United States and 32 nations. We can do the same for you.

Simply write to us and let us know what your specific needs and desires are. Provide as much information as possible as to what you wish to have done. Based on this preliminary information, Cyber Artists Studios will begin working, asking additional questions and offering advice to bring your project to reality.

A price list is provided below for the more popular type of **generic** projects using one of our **award-winning screensaver engines or pre-written scripts**. Prices are for productions with customer provided graphics.

2 to 40 image slide show screen saver for Win95/98/NT4.0	**$ 99.00**
Single animation screen saver for Win95/98/NT4.0	**$ 99.00**
Floating logo screen saver for Win95/98/NT4.0	**$ 99.00**
2 to 40 image slide show for DOS	**$ 99.00**

- Price includes one set of distribution disks.
- Cost of additional production items such as animation creation, music composition, photography services, image scanning, sound effects, video services, etc. will be determined on a project by project basis.
- Screen savers and slide shows are self-contained program files with graphic files embedded within for easier and more compact installations and to prevent easy reproduction of graphics by others. In DOS-based programs, .VOC files will stand external to program.
- A non-proprietary install and set-up program for Windows, allowing easy and quick installation by client or customers of client can be created for projects at no additional charge.
- Clients must certify in writing that they own all copyrights or have appropriate permission and/or rights to all materials they wish used within their project.
- Cyber Artists Studios reserves the right to reject any proposed project at its sole discretion.
- All projects will be handled with the utmost discretion and security.
- No ongoing license fees. Once completed, all projects become the exclusive property of the client unless otherwise agreed to by the client and Cyber Artists Studios.
- All completed projects and materials contained within such projects become and remain the property of the client unless otherwise agreed to by the client and Cyber Artists Studios. All materials used within projects provided by client will be returned to the client or destroyed at the client's discretion.
- Due to productions already scheduled and depending on the unique artistic and creation needs of each project, you should allow at least two to four weeks for completion of your project.
- Full payment must be made before production will begin.

A few examples of what simple screen savers created by Cyber Artists Studios can, have or are being used for:
- **School or civic organization fund-raisers.**
- **A "cyber poster" give-away for political candidates.** In today's high-tech world, aren't pencils a little outdated?
- **Eye-catching floating logos of your corporation or company** for your office computers or your client's computers!
- **Promotional give-aways for any business** from auto showrooms to bookstores to gift shops to night-clubs to radio stations to restaurants to theaters wishing to promote their business in a unique and popular medium. People love screen savers!

- **A natural give-away to promote a BBS or World Wide Web site.**
- **A promotional tool for a film, theatrical or video release.** Nothing has the repetitive power at such a low cost as a properly used screen saver.
- **A cyber portfolio for artists, actors, actresses, dancers, models, photographers, etc.** Few items will enjoy the speed and extent of distribution as a screen saver of your work released into cyberspace.
- **Fan club sell-through items.** Show your loyalty for your favorite celebrity while raising money at the same time!
- **A personal and unique gift for that special person.** Remember, all projects are handled with discretion and security.
- **Retail and/or shareware item.** You conceive it, we build it, and you make money selling it!
