

By breaking the seal on the CD Rom envelope, you agree to abide by the terms and conditions of the license agreement.

### **License Agreement**

1. Springer-Verlag grants you a nonexclusive license to use this product on any compatible computer. This software is copyrighted with all rights reserved to Springer-Verlag. Original works of art, photos, videos, and demonstration software on the CD Rom are copyrighted by their creators. Under copyright law, the purchaser may not copy this software in whole or in part (except for one backup copy) without the written permission of Springer-Verlag. You may not copy or reproduce or incorporate part of any of the text or images on this CD Rom (including videos and demonstration programs) in works intended for sale, without written permission of the publisher and consent of the author/artist. You may not change any copyright endorsements that appear in any of the files on this CD.
2. The purchaser is not allowed to sell or distribute any files contained in this work, whether modified or not. Under the law, copying includes translating a file into another language or format.
3. The purchase of this CD Rom does not, in any way, transfer ownership or rights to its contents, in whole or in part, to you. You may make one copy for backup purposes. You may operate this CD Rom on only one computer at a time. You may not copy the CD Rom or any part of it for sale or distribution to others.
4. Libraries and other lending institutions may circulate this product. They may also place it on networks that are internal to the lending library. It may not be placed on unsecured networks or networks that are attached to the internet. It may not be placed on computers with a removable media drive. Readers may download portions of the product for research purposes. Any files or portions thereof that are copied for this purpose may not be used in any commercial product or work that is purchased or sold.
5. Adobe Acrobat Reader is required to view the contents of the CD Rom, and Quicktime is required to view the movies contained in some of the documents. Copies of these programs have been provided on the CD Rom for those who do not have them already installed on their computer. Springer-Verlag is not responsible for these programs or any consequences of their use. Adobe Acrobat is a trademark of Adobe Systems, Inc., and Quicktime is a trademark of Apple Computer.
6. Springer-Verlag assumes no responsibility or liability for additional software provided on this CD, including Adobe Acrobat, Quicktime, Tessellation Exploration, and Escher Interactive puzzle.
7. Should the CD become damaged or unreadable, Springer-Verlag will replace the disk for a nominal fee, upon proof of ownership.
8. In no event will Springer-Verlag or its suppliers be liable for direct or indirect damages resulting from any defect in this software or in the use of this software.
9. The user of this software agrees to indemnify and hold harmless Springer-Verlag and its suppliers against any and all claims brought by parties who claim to have been injured by material on this CD.
