The entire risk as to the quality and performance of the Software is borne by you. Should the Software prove defective, you and not Bleu Rose assume the entire cost of any service and repair. In addition, the security mechanisms implemented by Bleu Rose software have inherent limitations, and you must sufficiently determine that the SOFTWARE meets your requirements. Bleu Rose warrants that for a period of forty-five (45) days from the date of acquisition, the Software, if operated as directed, will substantially achieve the functionality described in the Documentation. Bleu Rose does not warrant, however, that your use of the Software will be uninterrupted or that the operation of the Software will be error-free. Bleu Rose also warrants that the media containing the Software, if provided by Bleu Rose, is free from defects in material and workmanship and will so remain for forty-five (45) days from the date you acquired the Software. Repaired, corrected, or replaced Software and Documentation shall be covered by this limited warranty for the period remaining under the warranty that covered the original Software, or if longer, for thirty (30) days after the date (a) of shipment to you of the repaired or replaced Software, or (b) Bleu Rose advised you how to operate the Software so as to achieve the functionality described in the Documentation.
