

# Exchange Rates

If you will be sending us a check that is drawn from a foreign bank, please multiply the amount due by the exchange rate below.

NOTE: Do not send us a check drawn on a foreign bank good for US funds. We have to pay a big fee for that. We can deposit checks for a foreign currency without penalty. That is the exact opposite of what you would expect, but that is the way it is.

So if your from France, send us a check for Franks, If your from Japan send us a check for Yen, if your from Britain, send Pounds etc... etc...
