How this manual was produced.

This manual was prepared using the shareware program DOCMaker. The author of DOCMaker is Mark Wall, email: <greenmtn@Traveller.COM>. The latest version of DOCMaker (v.4.7.5) has features such as powerful 'Hot Picture' actions. It is available from the Internet at: <<http://www.hsv.tis.net/~greenmtn/>>. For this manual we have used a more compact earlier version (DOCMaker v.4.1) which is available direct from its author.
