### Shareware

The shareware registration fee is \$10. This covers the single user non-transferable license. If you register before the release of the next version you'll receive the upgrade for free, if you pay after the release of the next version then to receive an upgrade you will have to pay the price difference (if the fee for the next version is higher). If you want to use the program in the language lab or over the network then the single machine license is \$100 and the site license (for multiple machines within your network) is \$200 (this includes e-mail support).
