

## **VTune™ Performance Analyzer System Pack 4.0**

The VTune™ Performance Analyzer System Pack is designed to provide the System files necessary to support the VTune analyzer. Please refer to the VTune analyzer Release notes for further details on using this package.

### **1.0 Support Information**

Technical support for the VTune analyzer is available by electronic mail and by phone.

Please email problem reports to: [developer\\_support@intel.com](mailto:developer_support@intel.com)  
Support phone number: 1-800-628-8686

A technical support engineer will return your email within one Intel business day.
