

Wing Commander: Secret Ops Full Game (1st Episode)

Wing Commander: Secret Ops is a continuation of the Wing Commander saga, beginning where Wing Commander: Prophecy left off. Every week for a period of seven weeks, a new set of missions in the form of an episode will be posted on www.secretops.com. Downloading and installing the episodes will let you continue the game from where the previous week left off. For any questions on registration, installation, or gameplay, be sure to check out the help file that comes installed with Wing Commander: Secret Ops.

Before you can start playing, you must visit the Wing Commander: Secret Ops Web page at www.secretops.com to register your callsign. Once you've registered, you'll be given a numeric key that corresponds with your callsign.
