

Warzone 2100

Warzone looks to take the best conventions and innovations of the RTS genre, improve upon them while adding a few others, and present it all in a cohesive package. On this two-mission single-player demo, you'll get a feel for designing your base and scavenging technology from the enemy.

System Requirements:

P166

16MB RAM

Windows 95/98

Developer/Publisher: Pumpkin Studios/Eidos
