## OTHER "DIRECT FROM THE AUTHOR" PRODUCTS

Winner of two awards! **MOVIES TO GO!** with a wealth of information on more than 11,500 films, is ideal for finding answers to trivia quizzes, cataloging your video library, or uncovering the perfect movie for your present mood. Detailed reviews include the actors, directors, year, setting, characters, writers, possible objectionable content, music, MPAA rating, and box office gross. An absolute must for the movie buff! Since we add 200 - 300 new films each month, this is the most up to date movie database anywhere. Best of all, for **only \$15** you can download updates *every month* from our BBS for an entire year! Diskette Version **\$19.95**. "Remarkable graphics interface." -- PC Plus Magazine

Play **Chinese Checkers** and watch how we bring this classic game to life. The marbles actually seem to jump off the screen! Challenge up to five opponents and see if you can be the first player to move all your marbles to the opposite side of the board. Nominated for "Best Entertainment Software" and "Best New Product" at the 1992 Shareware Industry Awards. You can move your marbles with the keyboard, but it is easier if you have a mouse. BBS Price: **9.95** Diskette Version: **16.95**  
"Beautifully rendered graphics." -- Compute "Superb game." -- Personal Computer World

**Redhook's Revenge!** combines the classic novel Treasure Island with the best elements of Monopoly and Trivial Pursuit into a unique edutainment experience. Players who brush up on ships, pirates, weapons, and nautical history will have a distinct advantage over their opponents. However, in the end, those who earn the most cannons will prevail. BBS Price: **9.95** Diskette Version: **19.95**  
"Redhook's Revenge! is so addictive we reckon you're going to be up till all hours playing this excellent adventure game set in the high seas. A perfect escape!" -- PC Answers Magazine

**WARI - The Ancient Game of Africa** (also known as Mancala), like chess in Europe, is Africa's foremost strategy game. It was popular 4,000 years ago with the pharaohs of Egypt and until recently, was restricted to African royalty. This two-player strategy game is deceptively easy to learn, but may take a lifetime to master. Play another person or against one of the computer's three skill levels. Wari's beautiful graphics, animation, background music and sound clips greatly add to the enjoyment in playing this game. The animated tutorial will teach you the rules and winning strategies. BBS Price: **9.95** Diskette Version: **16.95** "An electronic narcotic." -- Computer Gaming World

**The Color Wizard** has *forty* Dinosaur, Shark, Aesop's Fables, and Rapunzel Fairytale pictures to color. Choose from a palate of over 700 different colors and color blends. Watch the artist paint the picture and learn about perspective, color, value, light, reflections, and shadows. You will amaze yourself at the fine pictures you can create after just a few moments! BBS Price: **19.95** Diskette Version: **29.95**

"Calling Color Wizard a coloring book for kids is a little like dismissing the ceiling of the Sistine chapel as a remodeling job. . . . Even if your children already have 4 or 5 coloring book programs, you'll want to add Color Wizard to your collection as an upgrade that will challenge their abilities and entertain them for hours." -- Davis S. Busch, Ziff Communications.

**ImagiSOFT's Entertainment Emporium CD-ROM** is the least expensive way to purchase Chinese Checkers, Redhook's Revenge, Wari, and The Color Wizard. It also contains the December 1993 version of Movies To Go which has 6,000 films. Only **29.95**

**Easy To Learn Computing** is a wonderful beginner's guide to DOS, Windows, modems, disk drives, printers, and other hardware. Over 50,000 sold worldwide! BBS Price: **9.95** Diskette Version: **19.95**

**Flynn Sprint** is a smooth-scrolling, puzzle-oriented fast-action platform game for MS-DOS computers. The object is simple: race Flynn through mazes of different sizes, shapes, and lethality to collect all the green jewels at each level. To do this, Flynn must avoid trapping himself in unwinnable situations, stay out of "instant death" squares, and protect himself from hordes of killer creatures who challenge his dexterity and wits. BBS Price: **14.95** Diskette Version: **24.95**

**Road Hog!** is a fast action, automobile racing arcade game where the object is to out-drive and out-manuever your aggressive opponents to the finish line. The best way to accomplish this mission is to slam on the gas and never use the brakes! Go ahead and cut the other drivers off—they are certain to do it to you! Run them off the road if you have to—this is a no-holds-barred struggle to the finish line! Race all 15 tracks, and if you tire of them, make them even more challenging with the track editor. Road Hog gives you dozens of hours of pure adrenaline! BBS Price: **19.95** Diskette Version: **39.95**

**Flying Tigers** is a fast paced shoot-em up World War II flying ace game with multiple weapons, power ups, enemies and bosses. It is 1942. Can you prevent the techno-bosses from the future from transferring futuristic technology to the Japanese Empire? BBS Price: **19.95** Diskette Version: **39.95**

**3-D Cyberpuck** is space-age hockey with a twist: you can drop land mines, walls, gravity wells, drones, dematerializers, and super-nukes to frustrate your opponents. Don't worry about this 3-D game being too violent--there is no blood, guts, and gore, only speed, and explosions! Use the speed booster and retro-booster to get out of tight situations. Compete against other players via network or modem, or play against the computer. BBS Price: **14.95** Diskette Version: **24.95**

**Rollin'** is a puzzle game which features superb graphics and parallaxscrolling technology. If you consider yourself to have an above average intellect then try this game! The object is to tilt the gameboard just the right way to roll the marble through the maze. You will encounter a host of problems and dangers along the way! BBS Price: **19.95** Diskette Version: **39.95**

**Shards**, a puzzle game from Germany has 60 levels to challenge your brain! Can you figure out how to remove all the stones from the game board? Matching / deciphering the Greek and Roman symbols is the key. BBS Price: **14.95** Diskette Version: **24.95**

**BrainStorm** is a strategic puzzle game with 170 levels challenges you mind with the forces of gravity, color, and logic. Can you make the all tiles of the same color disappear from the screen? BBS Price: **14.95** Diskette Version: **24.95**

**Steel Shot!** has superb pinball play and feel on three tables: Meltdown, Artic, and Wall Street. If you like pinball action on your computer, give this a "shot." BBS Price: **14.95** Diskette Version: **24.95**

**New Titles** each month! Call our **BBS (505) 275-9696** to download the shareware versions, look at screen shots, and download the registered versions at the lowest possible price.

**SPECIAL!** Add any of the above products to your Flynn Sprint Order Form and save money in two ways:

- 1) You only pay the \$4.00 shipping / handling charge **once**, no matter how many products you order.
- 2) You qualify for our "Repeat Customer Discount." **Subtract \$5.00** from the "Diskette Version" price of any of the above products!

#### **"DISKLESS" PURCHASES THROUGH OUR BBS**

If you have a modem, call our BBS and download the complete, *Registered Version* of the above products at the above discount prices. You save money, help the environment, avoid shipping / handling charges, and you get your product *now*. Use your modem to call our BBS **(505) 275-9696** then enter your credit card information. See the file Flynn.Wri for step by step directions.
