	#915	j. <input type="checkbox"/> Delete ALLBASE/SQL (IMAGE/SQL only)	N/C
	#932	k. <input type="checkbox"/> Delete Performance Management Software	N/C
		4. Optional - Select rack mount kit - May order one (1) if A1883A or A1884A is ordered on the same order/section.	
C2798AZ		a. <input type="checkbox"/> Rack mount kit to install 967RX/SX in factory integrated cabinet	N/C
		5. Optional - Select Floating Point coprocessor - May order one (1)	
A2293A	#0DV	a. <input type="checkbox"/> Floating point coprocessor for 967	\$1,500.
		6. Select base memory - Must order one (1)	
A2511AZ	#0DS	a. <input type="checkbox"/> Standard 64MB memory module	N/C
A2516AZ	#0DV	b. <input type="checkbox"/> Replace standard memory with 128MB module	19,200.
		7. Optional - Additional memory - May order a total of five (5) modules Total memory (base + additional) may not exceed 512MB	
A2231AZ	#0DZ	a. <input type="checkbox"/> 16MB memory module	Quantity [] 2,400.
A2232AZ	#0DZ	b. <input type="checkbox"/> 32MB memory module	Quantity [] 4,000.
A2511AZ	#0DZ	c. <input type="checkbox"/> 64MB memory module	Quantity [] 6,400.
A2516AZ	#0DZ	d. <input type="checkbox"/> 128MB memory module	Quantity [] 25,600.
		8. Select base disk - Must order one (1)	
A2445A	#0DS	a. <input type="checkbox"/> Standard 1.0GB disk drive (half-height)	N/C
A2446A	#0DU	b. <input type="checkbox"/> Replace standard with 2.0GB disk drive (full-height)	2,845.
		9. Optional - Select additional internal disk - Maximum 3 half-height devices supported internally - Includes DDS, Disk, and CD-ROM	
A2445A	#0DZ	a. <input type="checkbox"/> 1.0GB disk drive (half-height)	Quantity [] 2,845.
A2446A	#0DZ	b. <input type="checkbox"/> 2.0GB disk drive (full-height)	Quantity [] 5,690.
		10. Pre-Selected back-up storage device	
C2477SZ	#0DS	a. <input checked="" type="checkbox"/> Standard 2.0 DDS DAT tape drive (half-height)	N/C
		11. Optional - Select additional storage device*	
C2476SZ	#0DZ	a. <input type="checkbox"/> CD-ROM drive (half-height)	1,250.
		12. Pre-Selected OPENVIEW console Order appropriate keyboard localization option	
32054MZ	#_____	a. <input checked="" type="checkbox"/> Standard OPENVIEW console bundle	N/C
		13. Optional - Select I/O expansion Cards ordered cannot exceed number of slots in selected chassis PBA-IB maximum of two (2) - PB-FL maximum of four (4) Combined PBA-IB and PB-FL maximum of three (3)	
A1747A	#0DZ	a. <input type="checkbox"/> PBA-IB - Chan-span/HP-IB device adapter - 2-slot	Quantity [] 2,415.
28616A	#0DZ	b. <input type="checkbox"/> PB-FL - HP-FL device adapter - 2-slot	Quantity [] 6,300.
28642A	#0DZ	c. <input type="checkbox"/> SCSI 2 device adapter (NIO SCSI) - 1-slot	Quantity [] 1,640.
