HP Apollo 9000 Series 700

Software

Product Number	Description	Prerequisite	U.S. List \$
B2387A	Japanese HP-UX Run-Time Environment, 2 user		\$605.
	To order Japanese HP-UX 2-User Runtime preloaded on an HP Series 700 workstation, see Product Number B2911A, Japanese HP-UX Instant Ignition.		
#APH	HP-UX 9.0 Version		N/C.
#APF	HP-UX 8.07 Version		N/C.
	HP-UX 8.07 is only supported on Series 700 workstations introduced before July 1, 1992.		
#AAU	CD ROM Certificate.	#APH or #APF	N/C.
	When ordered in combination with APF, provides certificate to access 8.07 version on CD. When ordered in combination with APH, provides certificate to access 9.0 version on CD. Includes localized manuals. Refer to B2815A/B for complete system administration and installation documentation. Required to access software on CD ROM media, B2826A/B.		
#AAH	Provides software on DDS (4mm DAT) tape.	#APH or #APF	\$395.
	When ordered in combination with APF, provides 8.07 DDS tape. When ordered in combination with APH, provides 9.0 DDS. Includes localized manuals. Refer to B2815A/B for complete system administration and installation documentation.		
#0CC	HP-UX 9.0 License Upgrade	Previous purchase of B2387A	\$695.
	License upgrade for existing HP-UX customers not on Software Materials Update.		
B2487A	Japanese HP-UX Run-Time Environment, 8-user		\$1,800.
#APH	HP-UX 9.0 Version		N/C.
#APF	HP-UX 8.07 Version		N/C.
	HP-UX 8.07 is only supported on Series 700 workstations introduced before July 1, 1992.		
#AAU	CD ROM Certificate.	#APH or #APF	N/C.
	When ordered in combination with APF, provides certificate to access 8.07 version on CD. When ordered in combination with APH, provides certificate to access 9.0 version on CD. Includes localized manuals. Refer to B2815A/B for complete system administration and installation documentation. Required to access software on CD ROM media, B2826A/B		
#AAH	Provides software on DDS (4mm DAT) tape.	#APH or #APF	\$395.
	When ordered in combination with APF, provides 8.07 DDS tape. When ordered in combination with APH, provides 9.0 DDS. Includes localized manuals. Refer to B2815A/B for
