

Exchange Rates

If you will be sending us a check that is drawn from a foreign bank, please add \$3 to the amount due and multiply by the current exchange rate.

NOTE: Do not send a check drawn on a foreign bank good for US funds. We have to pay a big fee for that. We CAN deposit checks for a foreign currency without penalty. That is the exact opposite of what you would expect, but that is the way it is.

So, if you're from France, send us a check for Francs. If you're from England send us a check for Pounds; etc.

You can find the current rate from your bank or look it up in your daily newspaper. Those in the game were correct at the time this version was put out but they may have changed (In your favor) by the time you register.
