Realmz: Book of Items
By: Dan Ilut - dci1@cornell.edu

A cool DocMaker document that has 99.9% of the items listed, what scenario they can be found in and some other cool info about each item. A must download.

Realmz: Book of Special Characters
By: Thomas Weigle (thomas.weigle@mailbox.swipnet.se)

Another DocMaker document that lists the special characters in Realmz and a little history about each one.

Realmz: Book of Beasts
By: Thomas Weigle (thomas.weigle@mailbox.swipnet.se)

I have traveled far and wide in the lands of the Realmz. I have encountered thousands of beasts and creatures during my travels. All these inhabitants that I have faced are not known to the common man. As I now grow old, I feel it is my duty to label all the inhabitants of the Realmz and place them in categories so that you may consult a single book in the future instead of going through the material available today. It is my hope that this book will reach the libraries all over the great Realmz and also that you, my fellow adventurers of this world, will find it useful during your travels. My time of adventures is passed, now it is time for me to help you.
