
Title Fred.wad
Author Fred Lanier (surprise)
Description Fred.wad (creatively named) is my first attempt. I think it's quite difficult. However the more macho doomers should be able to complete it without cheating. Be careful of some traps that have no way of escape. It's not very big but should be alot of fun alone , cooperatively , or as a deathmatch. Please send me your comments or suggestions as I'm still learning. Also if you need hints write as well.

Additional credits Ben Lanier (son) my glich and difficulty tester
