PRESENTATION & ACKNOWLEDGEMENTS :

'SUITE GESTACOMPTE' was conceived to make easier commercial and administrative management of your profession. This suite is specially intended for little firms, tradesmen, artisan or independents.

The author and co-ordinators wanted 'SUITE GESTACOMPTE' approachable by everyone, neophyte or professional. So they tried to make each software interface as agreeable as possible. Each interface is conceived on the same pattern, so user is not disoriented.

Each software of 'SUITE GESTACOMPTE' is independent, so everyone can make his own pack according to his need.

Each software of this suite is multi-tasking and entirely respect AMIGA system.

'SUITE GESTACOMPTE' moves very quickly, due, in part, to previous versions users who sent us suggestions, criticals, etc... We can't enumerate them here, but we thank them all.

As they did, you can help 'SUITE GESTACOMPTE' development. We are hopping to hear of you. Thanks.

-***-

LIMITS OF THOSE VERSIONS :

SOFTWARES ONLY RUN UNDER WORKBENCH 2.0 OR MORE.

Softwares in that pack are fully operational, but they are limited in utilisation :

- only 5 minutes of use, then you have to run again the software,

In spite of those limitations of use, we hope you can well test 'SUITE GESTACOMPTE' and appreciate quality and seriousness of this product.
