

## About this patch...

This patch updates the sound driver in the original game of Lemmings so that the sound will work on PowerMacintoshes and AV Macs. If you use this patch, please send E-mail to: [sshertzer@ualred.ualr.fred.org](mailto:sshertzer@ualred.ualr.fred.org) also, please tell me of problems you may encounter.

If you have a game with the same kind of problem, (sound not working on PowerMac) please tell me, and

I will look into creating a patch for that game too. I have heard that MacPopulous II has this problem, but I have not encountered it as of yet. I am working on this right now.

This patch cannot work properly while virus detection software is running. Please make sure that you have disabled any virus detectors before applying the patch.
