

# Welcome to **MGI PhotoSuite™ SE** **30 Day Trial Edition** for **Windows®**

## **Product Support**

Thank you for your interest in MGI Software and PhotoSuite SE. As a Trial Edition of our PhotoSuite SE software, we are not able to offer product support. Product support is available by purchasing the complete product.

This version allows you to use all the features of MGI PhotoSuite SE for 30 days. After this, you may choose to order the PhotoStarter Kit, or MGI PhotoSuite 8.0 which has many new features and content.

## **Upgrade to MGI PhotoSuite 8.0**

MGI PhotoSuite 8.0 will let you create even more dazzling photo effects. It has more special effects; our new Photo Lens Kit; more decorations and frames; TWAIN support for digital cameras and scanners; a photo organizer; screen capture for retrieving images from CD ROM encyclopedias or from the Internet; and a bonus Multimedia Library filled with hundreds of professional color photos, sound effects, music files and animations. You can do so much with MGI PhotoSuite SE--but just imagine what you can achieve with MGI PhotoSuite 8.0!
