

Seize the nanosecond.

If you move fast, you can snag one of the last great opportunities of the century. Specifically: buy any 14.1" PowerBook® G3 between now and April 30 and you'll receive a mail-in coupon good for either a free 64-megabyte memory upgrade or a free copy of Connectix Virtual PC with Windows98 (lets you run PC software on your infinitely more lovable Mac®). At which point you can proclaim to the world, "veni, vidi, vici." ("Came, saw, conquered.")
