All Music Guide (Matrix Software)

Michael Erlewine - Managing Director

Vladimir Bogdanov - Technical Director

Chris Woodstra - Music Director

The Billboard Music Guide contains a substantial amount of text and data written or compiled by the All Music Guide staff and contributors, including: album release dates, record labels, and credit information; category and style classifications; track lists and lengths; album reviews, artist biographies, and category and style essays (where credited); AMG influence and related artist classifications; and AMG album

ratings. This information can be accessed on the category, artist and album screens throughout this CD-ROM.

Special Thanks To:

Peter Orlov (research), Karen Steen (editorial), Digital One (sound), Melody Siroty (media), Network One, Anne Tiller (designer), Dina Gruenfeld (text production), Andre Middleton (cinematographer), Krista Vernoff (voice talent), Mark Austin (BBC), Theresa Inman (editorial)
