

Intego END USER LICENSE AGREEMENT

NOTICE TO ALL USERS: CAREFULLY READ THE FOLLOWING LEGAL AGREEMENT ("AGREEMENT") FOR THE LICENSE OF THIS SOFTWARE PRODUCT ("SOFTWARE") BY INTEGO. BY CLICKING THE ACCEPT BUTTON OR INSTALLING THE SOFTWARE, YOU (EITHER AN INDIVIDUAL OR A SINGLE ENTITY) CONSENT TO BE BOUND BY AND BECOME A PARTY TO THIS AGREEMENT. IF YOU DO NOT AGREE TO ALL OF THE TERMS OF THIS AGREEMENT, CLICK THE BUTTON THAT INDICATES THAT YOU DO NOT ACCEPT THE TERMS OF THIS AGREEMENT AND DO NOT INSTALL THE SOFTWARE. (IF APPLICABLE, YOU MAY RETURN THE PRODUCT TO THE PLACE OF PURCHASE FOR A FULL REFUND.)

1. License Grant. Subject to the payment of the applicable license fees, and subject to the terms and conditions of this Agreement, Intego hereby grants to you a non-exclusive, non-transferable right to use one copy of this version of the Software and the accompanying documentation (the "Documentation"). You may install one copy of the Software on one computer, workstation, personal digital assistant, pager, "smart phone", or other electronic device for which the Software was designed (each, a "Client Device"). If the Software contains more than one specified software product, this license applies to all such specified software products, subject to any restrictions or usage terms specified on the applicable price list or product packaging that apply to any of such software products individually.

a. Use. The Software is licensed as a single product; it may not be used on more than one Client Device or by more than one user at a time, except as set forth in this Section 1. The Software is "in use" on a Client Device when it is loaded into the temporary memory (i.e., random-access memory or RAM) or installed into the permanent memory (e.g., hard disk, CD-ROM, or other storage device) of that Client Device. This license authorizes you to make one copy of the Software solely for backup or archival purposes, provided that the copy you make contains all of the Software's proprietary notices.

b. Server-Mode Use. You may use the Software on a Client Device as a server ("Server") within a multi-user or networked environment ("Server-Mode") only if such use is permitted in the applicable price list or product packaging for the Software. Use of software or hardware that reduces the number of Client Devices or seats directly accessing or utilizing the Software (e.g., "multiplexing" or "pooling" software or hardware) does not reduce the number of licenses required (i.e., the required number of licenses would equal the number of distinct inputs to the multiplexing or pooling software or hardware "front end"). If the number of Client Devices or seats that can connect to the Software can exceed the number of licenses you have obtained, then you must have a reasonable mechanism in place to ensure that your use of the Software does not exceed the use limits specified for the license you have obtained. This license authorizes you to make or download one copy of the Documentation for each Client Device or seat that is licensed, provided that each such copy contains all of the Documentation's proprietary notices.

c. Volume License Use. If the Software is licensed with volume license terms specified in the applicable product invoicing or packaging for the Software, you may make, use and install as many additional copies of the Software on the number of Client Devices as the volume license terms specify. You must have a reasonable mechanism in place to ensure that the number of Client Devices on which the Software has been installed does not exceed the number of licenses you have obtained. This license authorizes you to make or download one copy of the Documentation for each additional copy authorized by the volume license, provided that each such copy contains all of the Documentation's proprietary notices.

2. Term. This Agreement is effective for an unlimited period unless and until earlier terminated as set forth herein. Intego may terminate this Agreement with immediate effect if you fail to comply with any of the terms and conditions described herein. Upon any termination or expiration of this Agreement, you must immediately and permanently destroy the Software and the Documentation and all copies thereof. You may terminate this Agreement at any time by ceasing the further use of the Software and the Documentation and destroying the Software and the Documentation and all copies thereof.

3. Updates. This license includes subsequent minor updates or minor revisions (collectively, "Updates") as provided by Intego; you are entitled to download Updates to the Software when and as Intego publishes them via its NetUpdate automatic software update engine, website or through other online services.

4. Services. During the first year of this Agreement (or the first thirty (30) days if you are only evaluating the Software), this license includes subsequent updates of Virus definitions or Filters (collectively, "Services") for the Software as provided by Intego; you are entitled to download updates of the Services when and as Intego publishes them via its NetUpdate automatic software update engine, website or through other online services. After the specified time period, you have no further rights to receive any Updates of the Services for the Software without purchase of a new subscription (or a license number if you were evaluating the Software) in respect of the Software.

5. Ownership Rights. The Software and the Documentation are protected by intellectual property right laws. Intego and its suppliers own and retain all right, title and interest in and to the Software and the Documentation, including all copyrights, patents, trademarks and other intellectual property rights therein. Your possession, installation, or use of the Software and the Documentation does not transfer to you any title to the intellectual property in the Software or the Documentation, and you will not acquire any rights to the Software or the Documentation except as expressly set forth in this Agreement. All copies of the Software and Documentation made hereunder are subject to the terms and conditions of this Agreement and must contain the same proprietary notices that appear on and in the Software and Documentation.

6 Restrictions. You may not sell, lease, license, rent, loan or otherwise transfer, with or without consideration, the Software. Intego updates its Software frequently and performance data for its Software change. Before conducting benchmark tests regarding this Software, contact Intego to verify that you possess the correct Software for the test and the then current version and edition of the Software. Benchmark tests of former, outdated or inappropriate versions or editions of the Software may yield results that are not reflective of the performance of the current version or edition of the Software.

You agree not to permit any third party (other than third parties under contract with You which contains nondisclosure obligations no less restrictive than those set forth herein) to use the Licensed Program in any form and shall use all reasonable efforts to ensure that no improper or unauthorized use of the Licensed Program is made. You may not permit third parties to benefit from the use or functionality of the Software via a timesharing, service bureau or other arrangement, except to the extent such use is specified in the applicable price list, purchase order, or product packaging for the Software. You may not transfer any of the rights granted to you under this Agreement. You may not reverse engineer, decompile, or disassemble the Software, except to the extent the foregoing restriction is expressly prohibited by applicable law. You may not modify, or create derivative works based upon, the Software in whole or in part. You may not copy the Software or Documentation except as expressly permitted in Section 1 above. You may not remove any proprietary notices or labels on the Software. All rights not expressly set forth hereunder are reserved by Intego.

7. Warranty and Disclaimer.

a. Limited Warranty. Intego warrants that for thirty (30) days from the date of original purchase the media (e.g., CD-ROMs) on which the Software is contained will be free from defects in materials and workmanship.

b. Customer Remedies. Intego's and its suppliers' entire liability and your exclusive remedy for any breach of the foregoing warranty shall be, at Intego's option, either (i) return of the purchase price paid for the license, if any, or (ii) replacement of the defective media in which the Software is contained. You must return the defective media to Intego at your expense with a copy of your receipt. This limited warranty is void if the defect has resulted from accident, abuse, or misapplication. Any replacement media will be warranted for the remainder of the original warranty period.

c. Warranty Disclaimer. Except for the limited warranty set forth herein, the Software is provided "as is". To the maximum extent permitted by applicable law, Intego disclaims all warranties, either express or implied, with respect to the Software and the accompanying Documentation. You assume responsibility for selecting the Software to achieve your intended results, and for the installation of, use of, and results obtained from the Software. Without limiting the foregoing provisions, Intego makes no warranty that the Software will be error-free or free from interruptions or other failures or that the Software will meet your requirements. The foregoing provisions shall be enforceable to the maximum extent permitted by applicable law.

8. Technical Support. You have access to Intego technical support by phone, e-mail or Web form as long as you own a valid license and you are a registered user.

9. Limitation of Liability. Under no circumstances and under no legal theory, whether in tort, contract, or otherwise, shall Intego or its suppliers be liable to you or to any other person for any indirect or consequential damages of any character including, without limitation, damages for loss of goodwill, loss of profits or revenues, work stoppage, computer failure or malfunction, or for any and all other indirect or consequential damages or losses. In no event will Intego be liable for any damages in excess of the list price Intego charges for a license to the Software, even if Intego shall have been advised of the possibility of such damages. This limitation of liability shall not apply to liability for death or personal injury to the extent that applicable law prohibits such limitation. The foregoing provisions shall be enforceable to the maximum extent permitted by applicable law.

10. United States Government. The Software and accompanying Documentation are deemed to be "commercial computer software" and "commercial computer software documentation," respectively, pursuant to DFAR Section 227.7202 and FAR Section 12.212 under United States ("U.S.") laws, as applicable. Any use, modification, reproduction, release, performance, display or disclosure of the Software and accompanying Documentation by the United States

Government shall be governed solely by the terms of this Agreement and shall be prohibited except to the extent expressly permitted by the terms of this Agreement.

11. High-Risk Activities. The Software is not fault-tolerant and is not designed or intended for use in hazardous environments requiring fail-safe performance, including without limitation, in the operation of nuclear facilities, aircraft navigation or communication systems, air traffic control, weapons systems, direct life-support machines, or any other application in which the failure of the Software could lead directly to death, personal injury, or severe physical or property damage (collectively, "High-Risk Activities"). Intego expressly disclaims any express or implied warranty of fitness for High-Risk Activities.

12. Applicable law. This Agreement is governed by the laws of France. The application of the United Nations Convention of Contracts for the International Sale of Goods is expressly excluded.

13. Miscellaneous. This Agreement sets forth all rights for the user of the Software and is the entire agreement between the parties. This Agreement supersedes any other communications with respect to the Software and Documentation. This Agreement may not be modified except by a written addendum issued by a duly authorized representative of Intego. No provision hereof shall be deemed waived unless such waiver shall be in writing and signed by Intego or a duly authorized representative of Intego. If any provision of this Agreement is held invalid, the remainder of this Agreement shall continue in full force and effect. The parties confirm that it is their wish that this Agreement has been written in the English language only.
