

# The MACFORMAT fax-back service

Is the back issue you're after sold out? Did the dog eat your prized MACFORMAT collection? Fear not, help is at hand with the MACFORMAT fax-back service. Just call us on your fax machine, key in the code for the review, how-to or group test that you want, and it's faxed right back to you automatically.

(Note that you need a combined phone/fax.)

We've just enlarged the range of articles available through this service – here's the complete listing. All you need to do is follow these three simple steps:

1. Dial **0891 154662** and wait for a fax check
2. Then key in the **three-digit code** listed below for your chosen feature
3. Press Start/Send to receive the fax-back

If you run into any difficulties, contact our fax-back helpline on **0870 120 1240**

(Helpline open Monday to Friday, 10am-5pm; calls from the UK charged at local rate)

Fax-back calls cost 50p per minute at all times. The service takes between two and eight minutes per page, depending on the quality of the phone line, specifications of your fax machine and the number of photographs on a page. Introductory pages with illustrations only will not be included, only pages with text.
